

21 years experience

Unmatched quality

IMPECCABLE CRAFTSMANSHIP

One of the largest independent automotive aftermarket leather interior companies in Southern Africa.

Handel Street

- Motor manufacturer approved aftermarket leather interiors
- Only aftermarket company in South Africa to achieve and pass motor manufacturer and SABS side airbag deployment compliancy tests
- Only the finest automotive grade leather and components available are used.
- Leather inspectors hand-select each leather hide for consistency in appearance and grain texture.
- Extensive quality control inspections are performed on every leather interior, in adherence to international standards of ISO 9001 (2008) and ISO/TS 16949 systems.
- Freedom to take the vehicle's interior in any direction.

Contact us to find out how to get a manufacturer approved interior

Everything we do is driven by leather.
